## RESULTS OF THE 1988 LITTLETON WARRANT

ARTICLE 1. To choose one Selectmen for the term of three years, one Park Commissioner for a three year term, a Town Treasurer for a one year term, three members of the Board of Trustees of the Public Library for three year terms, one Trustee of Trust Funds for a three year term, one Supervisor of the Checklist for a six year term, and one Moderator for a two year term. (Ballot vote)

The following Town Officers were elected:

Selectmen - Earl Ellingwood  
Treasurer - Lillian Sylvestre  
Park Commissioner - James A. Lindorff  
Trustee of Trust Funds - David M. Sundman  
Library Trustees - Gail E. Babin, Kathryn Colony, David Govatski  
Moderator - Gerald H. Winn  
Supervisor of Checklist - Richard L. Hill

ARTICLE 2. Are you in favor of the adoption of Amendment No. 1 as proposed by the Planning board for the Town Ordinance as follows:

To delete Article II, Section 2:01 through 2:38 and replace section 2:01 with "Interpretation of Certain Terms and Words" and section 2:02 with "Definitions, 1 through 178."

This article passed 540 yes to 300 no.

ARTICLE 3. Are you in favor of the adoption of Amendment No. 2 as proposed by the Planning Board for the Town Zoning Ordinance as follows:

To clearly define by reference to specific properties the existing boundary between the Rural and R-II Zones along Partridge Lake Road around Partridge Lake to the Lyman town line.

ARTICLE 4. Are you in favor of the adoption of Amendment No. 3 as proposed by the Planning Board for the Town Zoning Ordinance as follows:

To restructure the Table of Use Regulations, Section 4:02 in the R-I and R-II zones and to amend the Rural and C-I, C-II, C-III, and C-IV zones in terms of the allowed uses by right and those uses allowed by special exception.

This article was passed 573 yes to 303 no.

ARTICLE 5. Are you in favor of the adoption of Amendment No. 4 as proposed by the Planning Board for the Town Zoning Ordinance as follows:

To amend Article VI, Special Provisions, to include a new Section 6:04 to read: "Accessory Uses shall be setback no less than 10 feet from the side or rear property lines."

This article was passed 552 yes to 315 no.

ARTICLE 6. Are you in favor of the adoption of Amendment No. 5 as proposed by the Planning Board for the Town Zoning Ordinance as follows:

To amend Article VI, Special Provisions, to include a new Section 6:04.01 to read as follows: "Accessory buildings on corner lots shall conform with front yard setbacks for both intersecting streets."

This article was passed 556 yes to 313 no.

ARTICLE 7. Are you in favor of the adoption of Amendment No. 6 as proposed by the Planning Board for the Town Zoning Ordinance as follows:

To amend Article VI, Special Provisions, by adding Section 6:05 and subsections stating Off-Street Parking provisions. These sections establish the minimum size and number of required parking spaces for commercial, residential and industrial purposes.

This article passed 576 yes to 293 no.

ARTICLE 8. Are you in favor of the adoption of Amendment No. 7 as proposed by the Planning Board for the Town Zoning Ordinance as follows:

To amend Article VI, Special Provisions, by adding Section 6:06 which establishes Manufactured Housing Park standards.

This article passed 574 yes to 278 no.

ARTICLE 9. Are you in favor of the adoption of Amendment No. 8 as proposed by the Planning Board for the Town Zoning Ordinance as follows:

To add section 9.03.08, to Article CI, Sign Regulations to read: No sign, portable or otherwise, is to be placed within the public right-of-way or located to conflict with the vision clearance requirements as found in Article II.

This article was defeated 419 yes to 507 no.

ARTICLE 10. Are you in favor of the adoption of Amendment No. 9 as proposed by the Planning Board for the Town Zoning Ordinance as follows:

To delete the present sign regulations as found in Article IX, Section 9:01 through 9:11 and establish new sections 9:01 through 9:08 (excluding 9.03.08) dealing with the purpose, definitions, general sign regulations in terms of size, location and zoning district, temporary signs and signs exempt from permits.

This article was defeated 380 yes to 522 no.

ARTICLE 11. Are you in favor of the adoption of Amendment No. 10 as proposed by the Planning Board for the Town Zoning Ordinance as follows:

To rewrite existing portions of Sections 10:01C and 10:01D which deal with apartment buildings and other types of multi-family residential developments. In addition to rewording the sections generally, this article increases the minimum lot size for multi-family development from 25,000 to 30,000 square feet. Minimum lot density is also increased from 3,000 to 4,000 square feet per dwelling. The section also allows a maximum of twelve attached units per structure and requires a minimum distance of at least 30 feet between structures.

This article passed 561 yes to 325 no.

ARTICLE 12. Are you in favor of the adoption of Amendment No. 11 as proposed by the Planning Board for the Town Zoning Ordinance as follows:

To create a new Section 10:03, under Article X, dealing with proposed Planned Unit Development Regulations.

The objectives of a Planned Unit Development are to encourage flexibility in design for large scale development by permitting mixed housing types, which may include multi-family dwellings, and mixed land uses; to provide for shopping centers; to allow for a more economic provision of street and utility networks; and to encourage preservation and recreational use of open space in harmony with the natural terrain, scenic qualities, and outstanding land features.

This article passed 548 yes to 324 no.

ARTICLE 13. Are you in favor of the adoption of Amendment No 12 as proposed by the Planning Board for the Town Zoning Ordinance as follows:

To amend Article XII, Section 12:02.3 to extend application review time from 20 to 30 days as provided by state law, and to allow additional review time if circumstances warrant.

This article was passed 576 yes to 281 no.

ARTICLE 14. Are you in favor of the adoption of Amendment No. 13 as proposed by the Planning Board as follows:

To delete Section 12:04 of Article XII which is already provided for under Article XV. This article deals with fine provisions, which has been superseded by vote of the 1987 town meeting.

This article was passed 520 yes to 318 no.

ARTICLE 15. Are you in favor of the adoption of an amendment to the Town of Littleton Zoning Ordinance to permit certain parcels

of land within the Town of Littleton (hereinafter specified) owned by D.B. Neomi Khedker, Hilltop Road, Littleton, New Hampshire, currently zoned as R-I and R-II usage to be changed to Commercial usage to permit the development of a health spa, hotel, golf course and cluster housing.

The parcels are located on Hilltop Road and Route 18, and are identified as Map 240 Lot 21, Map 241 Lot 5, Map 239 Lot 17, Map 239 Lot 24, Map 240 Lot 22, and Map 241 Lot 4. (By petition, Planning Board opposes.)

This article was defeated 298 yes to 619 no.

ARTICLE 16. Are you in favor of adopting a new Floodplain Development ordinance replacing the existing ordinance including definitions, building permit application, flood elevation information, and flood proofing for construction in the floodplain to ensure continued availability of the Federal Flood Insurance Program in the Town of Littleton.

This article was passed 649 yes to 222 no.

ARTICLE 17. To see if the Town will vote to appropriate \$4,260,000 for construction of a secondary treatment plant and related costs. This amount will be raised by the issuance of municipal serial notes and/or bonds under and in compliance with the provisions of the Municipal Finance Act, with \$4,047,000 reimbursed by the State of New Hampshire. This article further authorizes the Selectmen to issue and negotiate such notes and/or bonds and to determine the rate of interest thereon, and to take such other action as may be necessary to effect the issuance, negotiation, sale and delivery of such notes and/or bonds as shall be in the best interest of the Town (2/3 Ballot vote required).

The motion was made by Town Manager Tom Landry and seconded by Selectman Bulis to appropriate \$4,260,000 for construction of a secondary treatment plant and related costs. After discussion, the polls were open for one hour to vote by secret ballot. A 2/3 ballot vote is required to pass. A total of 340 votes were cast. The results were 284 yes and 56 no. The article was passed by the necessary 2/3 ballot vote.

ARTICLE 18. To see if the Town will vote to appropriate such sums of money as may be necessary to satisfy the purposes specified in the budget as posted.

The motion was made by Town Manager Tom Landry and seconded by Selectman Joseph Wiggett. The Town Manager went through the Budget page by page. An amendment was made by Caroline Gale and seconded by Carlton Schaller, Jr. The amendment: "I move that the 1988 proposed budget appropriation for White Mountain Mental Health be returned to \$6,500.00 and that the line item be removed from Contributions and placed under the category of Welfare." After discussion, the amendment was voted in the affirmative. Then Article 18, with the amendment, was voted on. The article was approved, as amended, by voice vote. The total budget of \$2,332,045.00 was approved by voice vote.

ARTICLE 19. To see if the Town will vote to appropriate \$265,000 for construction and related costs of a fire station. Of this amount, \$140,000 will be withdrawn from the 1972 Capital Reserve fund established for town buildings.

The motion was made by Fire Chief Steve LaDuke that the town vote to appropriate \$265,000 for construction of a fire station. The town already has a site for this, being the former Beaton property. After discussion, the article was approved by voice vote.

ARTICLE 20. To see if the Town will vote to appropriate \$100,000 to the reserve fund established by the 1986 town meeting for closure of the municipal landfill.

The motion was made by Selectmen Wiggett, and seconded by Selectmen Bulis to appropriate \$100,000 to the reserve fund established by the 1986 town meeting for closure of the municipal landfill. Article was approved by voice vote.

ARTICLE 21. To see if the Town will vote to establish a capital reserve fund for the purchase of highway department equipment, and to appropriate \$30,000 to that fund, and name the Board of Selectmen as the agents of that fund as required by RSA 35:15.

The motion was made by Selectmen David Harris, and seconded by Selectman Bulis to appropriate \$30,000 for the purchase of Highway Department equipment. This was approved by voice vote.

ARTICLE 22. To see if the Town will vote to appropriate \$3,420.00 above and beyond monies already raised for the Chamber of Commerce, for the purpose of maintaining the Information Booth (including costs of wages and electricity) for the period May 28th through October 16th (by petition).

The motion was made by Jere Eames, and seconded by Selectman Harris to pass article as stated. The article was approved by voice vote.

ARTICLE 23. To see if the Town will vote to appropriate \$20,000 for the purpose of repairing the Remich Park Pool (By petition).

The motion was made by Pierre Lafitte, and seconded by George Santy to appropriate \$20,000 for the purpose of repairing the Remich Park Pool. The article was approved by voice vote.

ARTICLE 24. To see if the Town will vote to authorize the Selectmen to sell a parcel of land known as the Pest House Property (Map 251, Lot 22), and further provide that the funds received from such sale, plus interest, will be used for capital repairs and improvements to Park and Recreational facilities, as determined by the Park Commissioners (By petition).

The motion was made by Pierre Lafitte and seconded by George Santy. An amendment by Joseph Wiggett was defeated, and also one by Pierre Lafitte was defeated. After much discussion, the vote was not to sell the property. The article was defeated by voice vote - no.

ARTICLE 25. To see if the Town will vote to discontinue pursuant to RSA 231:43 the following Town Roads: Cross Road, Old Route 18 (encompassed by the Wagner property at Map 243 Lot 21, and Wild West Farm Road (encompassed by the Wilbur Willey Property Map 215 Lot 1).

The motion was made by Henry Sherburne and seconded by Ronald Marsh. Article was defeated by voice vote.

ARTICLE 26. To see if the Town will vote to authorize the Board of Selectmen to sell a portion of the land (approximately 1,200 square feet) known as McBean Circle to an abutter. The portion to be sold is not needed for road purposes, and would be transferred upon such terms and conditions as the Board deems appropriate.

A motion by the Selectmen to deal with this article was approved by voice vote.

ARTICLE 27. To see if the Town will vote to authorize the Selectmen to borrow monies, from time to time, for current indebtedness of the Town for the ensuing year, in anticipation of taxes to be collected for the year 1988 and to be paid therefrom.

The motion was made by Selectman Bulis, and seconded by Selectman Wiggett. Article approved by voice vote.

ARTICLE 28. To see if the Town will vote to authorize the Board of Selectmen to apply for, accept and expend, without further action by The Town Meeting, money from the State, Federal or other governmental unit, or a private source or bequest which becomes available during the fiscal year in accordance with the procedure set forth in RSA 31:95-b.

Motion by Selectman Bulis, seconded by Selectman Wiggett. Article approved by voice vote.

ARTICLE 29. To see if the Town will vote to authorize the Selectmen to sell and convey real estate acquired by the Town by Tax Collector's Deed, and to further authorize the Selectmen to sell any other personal property owned by the Town which is no longer used for municipal purposes. In every instance, sale shall be by public auction, or advertised sealed bids.

Motion by Selectman Bulis, seconded by Selectman Wiggett. Article approved by voice vote.

ARTICLE 30. To transact any other business that may legally come before the meeting.

Passed

The meeting was adjourned at 11:20 pm.

**LITTLETON WARRANT**  
**The State of New Hampshire**

To the inhabitants of the Town of Littleton in said State qualified to vote in Town and State affairs:

You are hereby notified to meet at the Town Hall on the fourteenth day of March, 1989, being the second Tuesday of March, at eight o'clock in the forenoon (the polls are to open at 8:00 a.m. and may not close prior to 7:00 p.m.; business meeting to be held at the High School Auditorium at 7:00), to act upon the following:

ARTICLE 1. To choose one Selectmen for the term of three years, one Town Clerk for the term of three years, one Park Commissioner for a three year term, a Town Treasurer for a one year term, three members of the Board of Trustees of the Public Library, and one Trustee of Trust Funds for a three year terms. (Ballot vote)

ARTICLE 2. Are you in favor of the adoption of amendment No. 1 as proposed by the Planning Board for the Town Zoning Ordinance as follows:

To amend Article II, Section 2.01 to define the terms "Family Day-Care Home", "Lot coverage", and "Parking Lot", to amend the definition for terms "Parking Space" and "Structure" and to replace the definition for "Non-Conforming use and building" and replace it with separate definitions for "Non-Conforming building, lot or structure" and "Non-Conforming use of land."

ARTICLE 3. Are you in favor of the adoption of amendment No. 2 as proposed by the Planning Board for the Town Zoning Ordinance as follows:

To amend the Zoning Ordinance by establishing R-III and R-Ia zoning districts, providing a mechanism for addressing lots in multiple districts affecting the R-III and R-Ia zoning districts, defining the district boundaries of the R-III and R-Ia zoning districts, establishing a purpose for these districts, prescribing allowed used and uses allowed by special exception for these districts and providing lot requirements for the R-III and R-Ia zoning districts; thereby amending Article III, Section 3.01, 3.02 and 3.04, Article IV, Section 4.02 and Article V, Section 5.01. respectively.

ARTICLE 4. Are you in favor of the adoption of amendment No. 3 as proposed by the Planning Board for the Town Zoning Ordinance as follows:

To clearly define under Article III by reference to specific properties the existing boundary of the Rural line and changing to an R-I zone the northern portions of Rock Strain Drive, Tuck Lane and Heather Lane.

ARTICLE 5: Are you in favor of the adoption of amendment No. 4 as proposed by the Planning Board for the Town Zoning Ordinance as follows:

To amend Article IV, Table of Use Regulations, establishing purpose clauses the R-I, R-II and Rural Zoning Districts.

ARTICLE 6. Are you in favor of the adoption of amendment No. 5 as proposed by the Planning Board for the Town Zoning Ordinance as follows:

To amend Article IV, Table of Use Regulations, be deleting the term "condominium" as a use allowed by special exception in the R-II and Rural zones since this is considered a form of ownership as opposed to a type of housing.

ARTICLE 7. Are you in favor of the adoption of amendment No. 6 as proposed by the Planning Board for the Town Zoning Ordinance as follows:

To amend Article IV, Table of Use Regulations by adding to the Rural zoning district by special exception the term "general service garage" and to the commercial zoning districts the term "motel/hotel."

ARTICLE 8. Are you in favor of the adoption of amendment No. 7 as proposed by the Planning Board for the Town Zoning Ordinance as follows:

To amend Article V, Section 5.02, Buffer Strips to include the following: "In the commercial districts and the R-III zone, any commercial activity adjoining residential property shall be screened or buffered if requested by the Planning Board."

ARTICLE 9. Are you in favor of the adoption of amendment No. 8 as proposed by the Planning Board for the Town Zoning Ordinance as follows:

To amend Article V, adding Section 5.06, "On-Site Sewage Disposal Systems Adjoining Water Bodies" establishing that new septic leach fields in excessively drained soils be 125 feet from the shoreline and that replacement systems not the same size or location receive State Water Supply and Pollution Control approval.

ARTICLE 10. Are you in favor of the adoption of amendment No. 9 as proposed by the Planning Board for the Town Zoning Ordinance as follows:

To amend Article VI, Section 6.01, fence regulations controlling the maximum height of a fence in residential, commercial or industrial districts and when a permit is required or a public hearing required.

ARTICLE 11. Are you in favor of the adoption of amendment No. 10 as proposed by the Planning Board for the Town Zoning Ordinance as follows:

To amend Article VI, Section 6.04.01, Accessory Use Setbacks, by providing for "accessory uses or structures not placed on a permanent foundation on a non-conforming lot or in a mobile home park may be placed within 5 feet of a side or rear property

line and within 5 feet of another structure. This modification to the normal setback for structures on non-permanent foundations shall not apply to corner lots.

ARTICLE 12. Are you in favor of the adoption of amendment No. 11 as proposed by the Planning Board for the Town Zoning Ordinance as follows:

To amend Article VI, Section 6.05.01, Off-Street Parking, providing parking standards for professional office, business services and medical clinics requiring "one space for every 250 square feet of floor area or one space for each employer/employee and one space for each 1,000 square feet of floor area (whichever is greater).

ARTICLE 13. Are you in favor of the adoption of amendment No. 12 as proposed by the Planning Board for the Town Zoning Ordinance as follows:

To amend Article IX, Section 9.04, Temporary Signs, to increase the number of days allowed for temporary signs from 21 to 45 days.

ARTICLE 14. Are you in favor of the adoption of amendment No. 13 as proposed by the Planning Board for the Town Zoning Ordinance as follows:

To amend Article IX, Section 9.07, Signs in Rural or Residential Districts, by adding the following:

"In the R-III zone one free standing sign shall be allowed up to 50 square feet in size or 10 square feet per business or tenant whichever is greater. This does not preclude each office or business from displaying on the building one sign up to two square feet in size."

ARTICLE 15. Are you in favor of the adoption of amendment No. 14 as proposed by the Planning Board for the Town Zoning Ordinance as follows:

To amend Article IX, Section 9.08.01, Signs in Commercial or Industrial Districts, to be replaced by deleting the total number of signs allowed and to provide for special exception provisions to read as follows:

"In commercial or industrial districts, signage shall be allowed for each business provided that the total combined area of all exposed sign surfaces shall not exceed 100 square feet. Should the size limitation prove inadequate due to the sign location exceeding the minimum building setback requirements or if the business fronts on more than one street, a special exception may be granted by the Board of adjustment."

ARTICLE 16. Are you in favor of the adoption of amendment No. 15 as proposed by the Planning Board for the Town Zoning Ordinance as follows:

To amend Article X, Section 10.01.02, General Requirements for

Multi-family Developments, by replacing the term "developments" with "dwellings" and to allow multi-family dwellings with on-site sewer and water systems when approved by the State Water Supply and Pollution Control Division.

ARTICLE 17. Are you in favor of the adoption of amendment No. 16 as proposed by the Planning Board for the Town Zoning Ordinance as follows:

To amend Article X, Section 10.01.04, Residential Conversions, to include the following:

"However, if the proposed property is on a lot of less than 30,000 square feet no more than four units shall be allowed. In no case shall the density be less than 4,000 square feet per unit."

ARTICLE 18. Are you in favor of the adoption of amendment No. 17 as proposed by the Planning Board for the Town Zoning Ordinance as follows:

To amend Article XII, Section 12.02, Administration Procedure, by adding that a building permit is not only null and void if a project is not commenced within one year but also when "work is not completed within two years."

ARTICLE 19. Are you in favor of the adoption of amendment No. 18 as proposed by the Planning Board for the Town Zoning Ordinance as follows:

To amend Article XII, Section 12.03, by providing appeals and the authority of the Zoning Board of Adjustment as required by state law.

ARTICLE 20. Are you in favor of repealing all sign regulations in the Littleton Zoning Ordinance within the Town of Littleton. (By petition, Planning Board opposes)

ARTICLE 21. Are you in favor of amending the Town of Littleton Zoning Ordinance to permit certain parcels of land within the Town of Littleton owned by Eva Dobson off Cottage Street and Bethlehem Road which includes lots 7 and 8 on Map 113 to be rezoned from R-I to C -I to be used for professional office space. This petition will become null and void if the proposed R-III zoning district is approved for this area. (By petition, Planning Board opposes)

ARTICLE 22. Are you in favor of amending the Town of Littleton Zoning Ordinance to permit certain parcels of land within the Town of Littleton owned by the Littleton Hospital Association off Cottage Street and Mount Eustis Road which includes lots 26, 27, 28 and 30 on Map 113 to be rezoned from R-I to C-I to be used for buildings parking areas that are compatible with the hospital needs. This petition will become null and void if the proposed R-III zoning district is approved for this area. (By petition, Planning Board opposes)

ARTICLE 23. "Shall we adopt the provisions of RSA 80:58-86 for a real estate tax lien procedure? These statutes provide that tax sales to private individuals for nonpayment of property taxes on real estate are replaced with a real estate tax lien procedure under which only a municipality or county where the property is located or the state may acquire a tax lien against land and buildings for unpaid taxes."

Articles 24 through 37 will not appear on the official ballot, but will be discussed and decided at the business portion of the meeting Tuesday night.

ARTICLE 24. To see if the Town will vote to appropriate such sums of money as may be necessary to satisfy the purposes specified in the budget as posted.

ARTICLE 25. To see if the Town will vote to appropriate \$100,000 to the reserve fund established by the 1986 town meeting for closure of the municipal landfill.

ARTICLE 26. To see if the Town will vote to appropriate \$30,000 to the reserve fund established by the 1988 town meeting for the purchase of highway equipment.

ARTICLE 27. To see if the Town will vote to appropriate \$60,000 to the reserve fund established by the 1987 town meeting for the purchase of a fire truck.

ARTICLE 28. To see if the Town will vote to appropriate \$35,000 for the purpose of town hall renovations. The renovations are to enhance areas in the building for use by the Police Department.

ARTICLE 29. To see if the Town will vote to appropriate \$55,500 for the purpose of completing the final design and seeking permits for a proposed regional landfill located on Town owned land on the back side of Mt. Eustis.

ARTICLE 30. To see if the Town will vote to appropriate \$30,000 (thirty thousand dollars) for the purpose of purchasing and installing playground equipment for Remich Park. Said sum is to be repaid to the Town over the next three years from donations to be raised from Community service. (By Petition)

ARTICLE 31. To see if the Town will vote to appropriate \$5,000.00 above and beyond monies already raised for the Chamber of Commerce, for the purpose of maintaining the Information Booth (including costs of wages and electricity) for the period May 28th through October 16th. (By Petition)

ARTICLE 32. To see if the Town will vote to amend the site plan authority granted to the Planning Board by further authorizing, as prescribed by RSA 674:43, the review of non-residential uses involving the expansion or change of use.

ARTICLE 33. To see if the Town will vote to establish from this point forward, that the compensation for the services of the Town Clerk shall be in the form of salary only. Presently the compensation

is a combination of salary and fees. The amount of the salary shall be determined by assignment of the Town Clerk to a pay grade in the Town Classification Plan as all other Town employees are placed. All fees collected by the Town Clerk's office shall be turned over to the general fund.

ARTICLE 34. To see if the Town will vote to authorize the Selectmen to borrow monies, from time to time, for current indebtedness of the Town for the ensuing year, in anticipation of taxes to be collected for the year 1989 and to be paid therefrom.

ARTICLE 35. To see if the Town will vote to authorize the Board of Selectmen to apply for, accept and expend, without further action by the Town Meeting, money from the State, Federal or other governmental unit, or a private source or bequest which becomes available during the fiscal year in accordance with the procedure set forth in RSA 31:95-b.

ARTICLE 36. To see if the Town will vote to authorize the Selectmen to sell and convey real estate acquired by the Town by Tax Collector's Deed, and to further authorize the Selectmen to sell any other personal property owned by the Town which is no longer used for municipal purposes. In every instance, sale shall be by public auction, or advertised sealed bids.

ARTICLE 37. To transact any other business that may legally come before the meeting.

  
David E. Harris, Chairman

  
Joseph A. Wiggett

  
Earl J. Ellingwood

## SELECTMEN'S REPORT

There are many individuals the Board of Selectmen would like to thank for their contributions to a most successful year. The Park Commissioners worked tirelessly to improve the park facilities and their cooperation and effectiveness is very much appreciated by the Board of Selectmen. This spirit of cooperation was shared by other groups as well. The Town participated in Chamber of Commerce projects, the snowmobile ride in, band concerts, and many other events in 1988. All of the groups working to make Littleton a more enjoyable town in which to live deserve the support and appreciation of the entire community.

The Selectmen dealt with several key issues during the past year, and we are pleased with the solid record of progress that resulted from those efforts. The treatment plant construction project was finally resolved in 1988. The Board is convinced that the Meadow Street plant is the best available option to the community and is pleased that 90 percent of the voters agreed with this position. Cable TV, flood insurance, ordinance adoption, dispatch reorganization, fire station construction, and highway garage renovations were just some of the major initiatives made during the year.

One issue which received a considerable amount of the Selectmen's time this past year was solid waste disposal. After much study, the Board agrees with the solid waste district that developing the back side of Mount Eustis as a regional solid waste facility for Littleton and its neighboring communities is a sound and economical solution to the growing problem of solid waste disposal. To that end, an article appears on this year's warrant so that the voters will have the chance to determine the outcome of this important issue.

The Board of Selectmen would like to give special thanks to Tom Landry for his years of service and his many hours spent working at a most difficult task. We wish Tom and Sally the very best of luck in their future endeavors. They will be greatly missed.

It is with gratitude and pleasure that I conclude this report by thanking two people who have worked for the town for many years. 1988 marked the last full year of town service for Town Clerk, Thelma Santy and Police Sergeant, Fred Gilbert. The Board of Selectmen recognizes their commitment to the Town, and wishes Fred and Thelma a happy, healthy retirement.

It is this type of dedication, exhibited by so many of our employees and volunteers, which has made it such a privilege to have represented the Town and the other Selectmen as your Chairman in 1988.

Sincerely,

David E. Harris  
Chairman, Board of Selectmen

## TOWN MANAGER'S REPORT

1988 was a year of continued progress. The past twelve months saw still more volunteer firefighters become state certified. The commitment made by those firefighters is a tremendous service to the community, and is worthy of everyone's appreciation. The construction of the new fire station should make their job easier in 1989. A town ordinance package was adopted by the Board of Selectmen after a two year review. Having local laws clearly identified and available to all is essential. The road improvement program, town hall renovations, and the sale of Town owned land all progressed in 1988. A cable television contract was signed after a year of negotiations. After listening to public concerns the Board approved a contract which provides more stations for less money. I wish I could say that about all of the issues we deal with.

After three years of study, the regional solid waste district has identified town owned land on Mt. Eustis as a good site for a regional landfill. An article to raise funding to permit the site will be before you at this town meeting. Another issue receiving considerable study in 1988 was police and fire dispatch services. After considerable debate, the Board accepted a proposal to contract with Grafton County to provide dispatch services for our police and fire departments. County provision of services will improve the quality of dispatch available to the public and public safety personnel who must rely upon it in trying times.

1988 will forever be remembered as the year of the great sewer debate. Thankfully the year, and hopefully this debate, have both ended. The treatment plant was not the only sewer issue faced during the year, as sewer connection fees were adopted to insulate present taxpayers from increased costs associated with growth. This should prove a long term benefit to the community.

An updated emergency management plan, a revised flood insurance program, and revived band concerts all surfaced during the year. The Conservation Commission emerged as a strong addition to the land use planning efforts of the community. As always, I thank them and all of the volunteer board members who serve this Town so well. Finally, recognition is given to Sgt. Fred Gilbert who retired after 28 years of service, and to the other town employees who endeavored so dutifully throughout the year on your behalf.

Sincerely,

*Tom Landry*

Tom Landry  
Town Manager

## LITTLETON POLICE DEPARTMENT

The members of the Littleton Police Department feel that it is only fitting to dedicate our annual report to Sergeant Fred Gilbert. As you may know, Sergeant Gilbert retired in January after twenty eight and a half years of dedicated service to our community.

Sergeant Gilbert was appointed as a special police officer in June 1960 by former Police Chief Stanley McIntyre. Because of his excellent performance on the job as special officer and his special ability to deal with the public, Chief McIntyre hired him as a full time officer.

In early 1974 former Police Chief Don Nocky promoted him to sergeant. During the following years Sergeant Gilbert served as the area's only firearms instructor, certifying not only the officers on this department, but those of other communities as well.

Sergeant Gilbert will be remembered as one of the town's most loyal, devoted, and faithful employee. We will all miss him and we wish much happiness in the coming years to him and his wife, Dale.

### SERVICE CALLS

We responded to 7,587 calls for service during the past twelve months. They were as follows:

- 48.....burglary reports
- 67.....calls for fire assistance
- 91.....vandalism reports
- 113.....medical emergencies
- 118.....domestic calls
- 127.....reports of theft
- 144.....unsecured premises
- 228.....traffic/escort details
- 280.....animal complaints
- 312.....alarms
- 531.....vehicle assistance
- 1,552.....motor vehicle stops
- 2,773.....calls for citizens concerns or complaint

We also unlocked 182 vehicles for stranded motorists, and issued 86 licenses to carry concealed firearms.

## ACCIDENTS

The officers investigated 280 motor vehicle accidents during 1988. Unfortunately we recorded our first highway fatality in nearly three years. In these accidents 49 people sustained personal injuries.

Of these 280 accidents, 96 were one vehicle accidents, 174 were 2 vehicle accidents, and 10 were 3 vehicle accidents. In these accidents there were 247 male drivers and 174 female drivers.

We have discovered that a majority of our accidents occur on Wednesdays or Fridays between the hours of 2 PM and 6 PM. Eighty six of our accidents took place on straight roads, 65 at inter-sections, 42 on curved highways, 46 on grades, 23 on Interstate 93, and 17 in driveways.

There were 7 bicycle accidents in which 3 people were injured. There were also 6 pedestrian accidents.

We urge everyone, drivers and passengers, to buckle up for safety.

## ARRESTS

The officers made 632 motor vehicle arrests and 330 criminal arrests. We made 43 D.W.I. arrests, 12 Operating While Under Revocation, 9 Reckless Operation, 5 Leaving Scene of Accident. 353 summonses were issued for Speed, 30 Operating Without a License, 4 Operating Under Suspension, 39 Unregistered Motor Vehicle, 47 Uninspected Motor Vehicle, 28 Failure to Stop for Stop Light, 8 Failure to Yield Right of Way, 7 Excessive Use of Power, 5 Improper Passing, 3 Failure to Yield to Pedestrian, 2 Passing School Bus, 3 Misuse of Plates, 4 Yellow Line Violations, 1 Obscured Windows, 3 Failure to Yield to Emergency Vehicles, 7 Following too Closely, 1 Operating Without Eye Protection, 2 Improper Backing, 3 Operating One Way Street, 1 Passing on Right, 1 Operating with Defective Equipment, 2 Operating OHRV on Highway, 2 Overload Vehicles, 1 Forged Inspection Sticker, 1 Fuel Users Permit.

Our misdemeanor level offenses, which were handled through the Littleton District Court are as follows:

40 Simple Assaults, 52 Contempt of Court, 35 Unlawful Possession of Alcohol, 15 Resisting Arrest or Detention, 16 Criminal Trespass, 13 Criminal Mischief, 12 Shoplifting, 12 Issuing Bad Checks, 13 Possession of a Controlled Substance, 10 Criminal Threatening, 10 Interference with Custody, 6 Giving Beer to Minors, 5 Open Container Violations, 3 Prohibited Acts, 2 Unlawful Activities, 3 Disobeying an Officer, 6 Allowing a Dog to Run at Large, 1 Failure to License Dog, 1 Failure to Comply with Dog Abatement, 1 Harassment, 5 Sexual Assaults, 1 Conspiracy to Commit Burglary, 10 Thefts, 2 Motor Vehicle Thefts, 5 Theft of Services and 4 False Reports to Police Officer. Special Officer Linda Dunn handled an

additional 23 domestic violence petitions for us during the past year.

The following felony arrests are presently being handled in the Grafton County Superior Court:

1 First Degree Assault, 6 Second Degree Assaults, 1 Fugitive from Justice, 5 Bad Checks (over \$500), 2 Possession of Narcotics (cocaine), 1 Possession of Marijuana, 1 Theft (\$15,000), 15 Burglaries, 2 Aggravated Felonious Sexual Assaults, 1 Conspiracy to Commit Burglary and 1 Forgery.

#### JUVENILE

The Littleton Police Department investigated 214 juvenile cases this past year. One hundred sixty-two of these cases required court intervention. The breakdown of these cases are as follows:

14 Burglaries, 3 Second Degree Assaults, 4 Interference with Custody, 2 Receiving Stolen Property, 2 Motor Vehicle Thefts, 4 Forged Checks, 17 Thefts, 5 Simple Assaults, 9 Criminal Mischiefs, 2 Fire Bombs, 1 Fraudulent Use of a Credit Card, 1 Hindering Apprehension, 2 Possession of Drugs, 5 Resisting Arrest, 2 Shoplifting, 4 Receiving Stolen Property, 20 Contempt of Court, 36 Children in Need of Services, 16 Abstaining from Parental Control, 4 Runaway, 5 Truancy, 2 Possession of Alcohol (under the age of 15), 2 Operating a Motor Vehicle (under the age of 16).

There were an additional 70 reports of runaways with a majority being from our group home. Most of these cases were referred to the district court having jurisdiction over these youth.

We continued to have our School Safety Patrol. Our sixth graders have been doing a fine job and deserve public recognition:

Jamie Dunn	Melody Fenner	Allison Culver
Paul Hopkins	Tina Gillingham	Tammy Edwards
Jennifer Blair	Hattie Whitney	Karyn Gwynn
Heather Clough	Cindy Peltier	Rene Scott
Terrill Champagne		Alex Pancoast

Our drug prevention program entitled "JUST SAY NO" for elementary school children kindergarden through sixth grades was a tremendous success. This was the first time that we've attempted such a program dealing with all school children within our school district. We wish to thank parents, teachers, school officials, and especially our area businesses for their encouragement and support. The Littleton Police Department would like to publicly thank the staff at Simon's Market for their help. Our drug prevention slogan for 1989 will be "DO SPORTS NOT DRUGS".

## TRAINING

Beginning January 1, 1989, each full time and part time police officer must be provided with at least 48 hours of in-service in subjects other than the required yearly certification in firearms, intoximeter, CPR, and first aid. This is not a problem for our department since each officer attends at least one training seminar each year.

Officers Susan Bourque and Todd Landry graduated from the 84th Police Training Academy. During their ten week training period they studied the criminal justice system, basic law, motor vehicle law, patrol procedure and concepts, criminal investigation, officer survival and civil liability. I feel they will be an asset not only to this department but also to the Town of Littleton. We wish them well as they pursue their law enforcement careers.

Corporal Ralph Brooks attended a four day seminar on Juvenile Justice in Hyannis, Massachusetts. He also attended a three day seminar at St. Anselm's College on Arrest, Search and Seizure followed by a training session on Drug and Alcohol Retention. Officer Herbert Lloyd attended a seminar at Wesley University in Connecticut on Managing Aggressive Behavior and Police Supervision. Officer Michael Devine was recertified as a self defense instructor through the N.H. Police Standards and Training Council and the Connecticut Law Enforcement Institute. He also acted as an advisor at the Police Cadet Academy in Manchester. Officer Devine also went to Wesleyan University to receive training on Police Supervision and Managing Aggressive Behavior. Officer Donald Marsh was a guest of the U.S. Army at Lackland Air Force Base in San Antonio, Texas. While there he attended seminars dealing with Employer Support. Officer Mikel Dyne attended a seminar on Arrest, Search and Seizure, at St. Anselm's College and will soon be finished his studies towards his Emergency Medical Technician certification. Thurita Grammo attended a day long program on Drug and Alcohol Retention, while Special Officer Linda Dunn attended a seminar on Domestic Violence. I was fortunate enough to receive training on Budget Issues, Civil Liability and Issues for Police Chiefs. It was also a great pleasure to be appointed by former Governor John Sununu to serve a term on the New Hampshire Traffic Safety Commission.

We all enjoy getting out into the community and sharing our training with you. This past year we were asked to either instruct or speak to the following organizations:  
Future Homemaker's of America, SADD local chapter, Career Day Littleton High School, Lakeway Elementary School, Bethlehem Elementary School, Littleton Hospital, and the Littleton Public Library.

During the month of May we hosted our first open house to commemorate National Law Enforcement week. We feel the event was well received by the community and we hope to make this an annual event.

In September the Littleton Police Department formed its first ever Law Enforcement Explorer Post. The advisors for Explorer Post 649 are Officers David Miller and Michael Devine. At the present time we have eleven students from area high schools enrolled in the program. The explorer program is part of the Boy Scouts of America. The purpose of exploring is to provide a program that will meet the needs, desires and concerns of the next generation of citizens. This is achieved by bringing young adults voluntarily into association with adults. These adults are carefully selected and trained. By the example of their character, citizenship traits, knowledge and promotion of physical and mental fitness, they become a positive force in the lives of youth. Today's Explorers are the Youth of America. Tomorrow they will be America's leaders.

We are looking forward to an exciting and busy year. This will be due in part to the return of the Easter Seal Ride In, the anticipated return of Summerstreet, and the Hydroplane races, which will now be a week long event. We always appreciate the cooperation and support that we get from our community. Our goal for 1989 is to continue serving you in the best way we know how.

Please feel free to stop by or give us a call if you have any questions or concerns.

Our motto for 1989 is TO PLEASE DRIVE AS THOUGH YOUR CHILDREN WERE IN THE OTHER CAR.

Respectfully submitted,

Louis P. Babin  
Louis P. Babin  
Chief of Police

## LITTLETON HIGHWAY DEPARTMENT

The Highway capital improvements this year were the repaving of Morrison Hill Drive, Gilmanton Hill Road, Gary's Drive and Mann's Hill Road (the front side). We put a new box culvert on the Dell's Road and lowered the sharp knoll on Mann's Hill Road. We shimmed and sealed Girard's Road, Broomstick Road to Dr. McDades residence, and a small section of Mt. Eustis.

We installed a new storm drain the length of Jackson Street.

Crane Street from Cottage Street to Willow Street was upgraded to 24 feet wide with a 4 foot sidewalk installed.

The sidewalk on Chiswick Avenue was rebuilt and the sidewalk from Pike Avenue to the Town Building was repaved.

The parking lot off Pleasant Street was repaved.

We rebuilt 22 catch basins around town and replaced 8 culverts on our back roads.

We hauled over 10,000 yards of material to the landfill for cover.

We have done some ditching and brush cutting on our roads.

Sincerely,

A handwritten signature in cursive script that reads "Henry Sherburne". The signature is written in dark ink and is positioned above the printed name and title.

Henry Sherburne  
Superintendent of Public Works

## LITTLETON FIRE DEPARTMENT

For the first time in a lot of years, you will not hear the Fire Chief tell you we need new quarters. They have been built and for this, the entire Fire Department would like to say thank you to the townspeople.

Our training programs are still proceeding as planned with the addition of 10 more certified people this year and the continuing monthly training sessions. The Department also has trained hazardous material responders paid for with funds allocated by Twin State Fire Mutual Aid. The Mutual Aid also has a HAZ-MAT response team and a vehicle, again funded by dues from each town.

In 1989 we plan to continue our training and do more specialized training; i.e, leadership, investigation, fire ground command, etc. We will also continue our inspection process. We have proven that this effort reduces fires and increases the fire awareness in the community. Our doors continue to remain open at any time for the citizens of Littleton in any way we can serve you.

Sincerely,

Steven A. LaDuke  
Chief of Department

## REPORT OF TOWN FOREST FIRE WARDEN AND STATE FOREST RANGER

Between July 1987 and June 1988, we experienced more fires than normal. The three leading causes of forest fires were again children, fires kindled without written permission of a Forest Fire Warden, and debris burning. All causes are preventable, but only with your help.

Please help our town and state forest fire officials with forest fire prevention. Contact your Forest Fire Warden for more information.

Enforcement of a state timber harvest regulation is the responsibility of State Forestry officials. Our state has excellent timber harvest regulations; however, your assistance is needed.

If you know of a logging operation and suspect a state timber harvest law may be violated, call your Forest Fire Warden, Concord Forest Protection Headquarters at (603) 271-2217, or local Forest Ranger.

On January 1, 1989, the Deceptive Forestry Business Practices Law (RSA 224:54) goes into effect. This law, in summary, states that a person is guilty of a misdemeanor if, in the course of buying or selling a forest product, he uses a false weight or measure for falsely determining any quality or quantity of a forest product. For more information, contact one of the persons mentioned above.

### FOREST FIRE STATISTICS - 1988

## LITTLETON PUBLIC LIBRARY

The highlight of 1988 was the installation of the new carpet in December. With the rich oak wood, high ceilings and beautiful White Mountain art from the Remick collection, the library is truly a source of pride for all.

It is also a source of information and enjoyment for all ages. Many people comment on the friendly atmosphere where silence is a thing of the past, and the main rooms are bustling with the sounds of people greeting each other. However, there is a room upstairs for those who need a quiet place to study. In it, we have an Apple IIE and a Digital Rainbow computer--both available to the public.

In 1988, we continued with a second series of Canadian lectures called, "The Canadian Mosaic". We received a surprise donation from the Canadian Consulate General in Boston. Wayne McEwing, Public Affairs Officer, wrote, "Since your library has done so much to make Canada better known in New Hampshire, we are sending you for your collection a selection of some of our best recent Canadian publications. We hope you and your borrowers will find them of interest."

The beautiful mini-park, created by the Rotary Club and landscaped by the Garden Club was enhanced by the Saver's Bank. They donated a bench in memory of Ray Carboneau.

For the first time, we purchased video cassettes to circulate. Our selections are primarily for children with some adult classics, such as "Casablanca" and "Citizen Kane".

The Summer Reading Program, under the supervision of Amy Grammo, and the weekly Story Hours continued to be popular. When Ellen Morrow took a brief leave of absence, Collette Haywood entertained the children.

After working for the library for five years, Pam Daly left for a job with a private company. We miss her cheerful efficiency, but we are delighted with our newest staff member, Dominique Warner. Dominique is a gifted wildlife artist who adds a touch of class to our publicity posters. As a matter of fact, we have the most elegant, "Please wipe your feet" sign in town. The rumors are totally untrue that the librarian has her working on one that says "Please remove your shoes". Ellen, Jean, Dominique and I would like to thank our excellent library aide, Jessica Pancoast, and the three volunteers who help throughout the year--Gwen Howe, Bea D'Etcheverry, and Niki Richey

Kathryn Taylor

## BIRTHDAY BOOKS

Books were donated to the library to celebrate the birthdays of the following people:

Margaret Cuddihy	Jamie Ide
Kyle Gilbert	Douglas Ide
Lindsay Gilbert	Rebecca Richey
Susan Ide	

This oil painting by Edward Hill was the basis for the design of the 1988 New Hampshire stamp of the Old Man of the Mountain. The original called, "Enthroned Above the Clouds," was painted in 1880, and hangs in the reference room at the Littleton Public Library.

## LITTLETON PARKS AND RECREATION

The year 1988 began with two new Commissioners and Chairman Jim Fillion beginning just his second year. We attended workshops and used a lot of guidance from the Parks and Recreation Department for the State in Concord. Our office door is always open to anyone who wishes to meet with the Commissioners with problems or with suggestions for the betterment of the Department.

Overall we feel the year was a very good one for the Department. The master plan is finally a reality. We can now have long range planning for Remick Park. One of the first steps was the forming of a playground equipment replacement committee. They have done a fine job and new playground equipment will be in place in 1989.

Once again the pool and summercamp programs increased in size. The new filter system at the pool was installed this year and has proven to be easier to maintain and a money saver in materials used and electricity used.

The regular maintenance and upkeep of the facilities and grounds was at an all time high. The Parks have never looked better.

Park Superintendent, Brian Lineman, built a "zamboni" machine, making the ice skating surface the best it has ever been.

We would like to thank all the students and adults of Littleton who volunteered time, services and equipment to the Department this past year. A very special thank you goes to Superintendent Brian Lineman and his assistant, Dan Spalding, for continued dedication and hard work as parks and recreation employees.

We thank you for all of your support in 1988 and will continue to dedicate ourselves to making 1989 an even better year.

Respectfully in Recreation,

Jim Fillion  
Bob Whitcomb  
Jim Lindorff

## LITTLETON ZONING BOARD OF ADJUSTMENT

The Littleton Zoning Board of Adjustment had a busy year in 1988. The Board met 27 times during 1988, including two joint meetings with the Planning Board.

Coordination efforts between the Planning Board and ZBA have been much better this year than in previous years. Department Head meetings, which include the chairmen of the Planning Board and Board of Adjustment have also been held several times during the year and increased this coordination effort.

New application forms were developed in 1988 to provide Board members more information prior to public hearings. This system, we believe, has improved the decision making process of the ZBA. 1988 was also the year we added 3 new members to the Board.

During 1988 the Board handled 78 cases, 35 of which were variance requests and 40 of which were special exceptions. This is a 33% increase from 1987 in which there were 52 cases processed.

The overall goals for the year include the following:

1. Continue to improve the application process; and
2. Provide input to the Planning Board for needed corrections to the Zoning Ordinance.

Respectfully submitted,

Thomas Berry  
Chairman  
Littleton Zoning Board of Adjustment

## LITTLETON PLANNING BOARD

1988 saw the Planning Board working to increase citizen involvement in the planning process. With the acceptance of the Master Plan, the Board chose three areas to try and work on to keep the Master Plan up to date. These sub-committees consisted of Board members and community members who have an interest in one of these areas.

The Land Use committee reviewed zoning issues for the year and recommended changes to the zoning ordinance which appear on this years ballot.

The School Impact committee is on going and is examining the ability of our schools to handle increased growth (especially at Lakeway), how Planning Board activities impact on this growth, and ways in which we might resolve overcrowding issues. The initial report of this committee will be presented to the Selectmen and School Board early in 1989.

The Parking committee met once and will continue in 1989 to look at the parking and traffic circulation issues in the Main Street area. This is perhaps one of the most critical issues to resolve before looking at further development of the downtown business district.

The following are a few highlights of this past year:

1. Subdivision and Site Plan Review Summary:
  - a. Site Plans: 29 approvals
  - b. Subdivisions: 21 approvals involving 581.3 acres and 95 new lots
  - c. Mobile Home Park Subdivisions: 2 approved
  - d. Minor Lot Line Adjustments: 10 approved
2. Better compliance on building permits and zoning enforcement
  - a. Building Permits issued: 198
    - Single Family and Mobile Homes: 36
    - Commercial: 25
    - Multi-Family: 5
3. Developed new Planning Board application forms
4. Instituted better coordination with the Zoning Board of Adjustment and Littleton Conservation Commission

The Planning Board also established several goals for the 1989 year. These include:

1. Continue the work of Special School Impact committee and its coordination with the Planning Board;
2. Refocus the thrust of the Special Parking committee to address parking and traffic in the downtown area;
3. Examine the intent and function of the four commercial zoning districts;

4. Re-evaluate the existing commercial zoning district lines;
5. Update the Master Plan by developing a housing analysis for the Town of Littleton;
6. Modify the site plan regulations to deal more effectively with landscaping requirements and when site plans should be submitted;
7. Revise the Littleton subdivision regulations in terms of road standards and specifications for subdivision approval;
8. Continue working on developing a better tracking system to estimate growth through a map and lot system; and
9. Continue to work toward implementing the Master Plan

As the outgoing chairperson of this board, I would like to thank everyone who has been involved in the planning process this year, and urge all of you to participate in some way. Volunteer and make your voice heard, either as a member of the Board or as a member of a sub-committee. Littleton is only as good as we make it and your voice and participation is important.

Respectively submitted,

Cathy Devine  
Chairperson  
Littleton Planning Board

## LITTLETON CONSERVATION COMMISSION

Your town Conservation Commission was established in 1965. It is an official committee of local citizens serving on a volunteer basis; organized to study, promote, develop and better use the natural resources of your community. A conservation commission provides a focal point within municipal government for environmental concerns. It also can acquire, manage and develop natural resources such as recreation areas, parks, marshes and access to water frontage. Several state statutes give conservation commissions additional powers. Areas such as designation and management of town forest, filling and dredging of town wetlands and sand and gravel excavations increase the scope and influence of a commission's activities.

### 1988 COMMISSION ACTIVITIES

The Conservation Commission, working with the assistance of the Grafton County Forester, completed the logging operation at the Dell's Park. With the help of the Littleton Town Crew, Littleton Boy Scout Troop 209 and the summer youth group, the clean-up of the wood cutting project was completed.

Other projects at the Dell's include: adding eight new picnic tables, constructing three new fireplaces and repairing several of the original ones. Also, six new trash barrels have been added and new entrance signs are under construction.

A state funded summer work program at the Dell's, directed by Littleton teachers Michael Didio and Kevin Coffee, was successful in providing manual labor to complete a number of the above projects at no cost to the town.

The Conservation Commission sponsored two Littleton students providing them the opportunity to attend a one week NH Youth Conservation Camp. The commission has supported this program for the past several years.

In September the Board of Selectmen turned over to the Conservation Commission, the management of a portion of town owned land on Pine Hill. The county forester has been contacted to assist in the forest management of this parcel of land.

Working with the Littleton Planning Board and the planning officer, the Conservation Commission addressed a total of 43 wetland projects of which 17 on-site inspections were made throughout various sections of the township.

The Conservation Commission appreciates and thanks the town people and town organizations for their help and support throughout this past year.

Respectfully Submitted,

Littleton Conservation Commission

## LITTLETON WATER AND LIGHT DEPARTMENT

1988

The year 1988 was an eventful year for the Department, a lot of things happened. Outside Superintendent Burt Ingerson retired, so did Working Foreman Wayne Hartlen, two men who gave alot of themselves to the Town of Littleton; they will be missed. A new water supply for the Town was discovered at a place called Lean-To Island on Moore Reservoir. A new record demand for electrical energy was set in December, 8 percent more than the highest monthly peak in 1987. Below is a chronological listing of some of the more significant events of the year:

### January

- 27th: Gary Smith, D.L. Maher Co., successfully completed the drilling of a water well on Lean-To Island. After pump tests were accomplished, Mr. Smith said "Once developed, this well may be the biggest in the State of New Hampshire".

### February

- 2nd: Department hosted a Public Information Meeting at the Town Hall. A panel addressed water related issues, from water meters and backflow preventers to water wells, with over 100 interested towns people.
- 19th: First Electric Hot Water Heater Blanket installed at Department Controller Steve Griffin's house, Phase I of New England Power Services energy conservation program. Over 600 were installed.
- 29th: Commissioners signed an Agreement with LIDC to upgrade electrical lines in the industrial park. This, the first step towards a 34,500 volt distribution system.

### March

- 14th: New England Power Service begins Phase II of a load management/energy conservation program.
- 25th: MBS, Inc. installs the first Rockwell water meter at Selectman Joe Wiggett's home, the launching of the program to install meters at every delivery point in Town.
- 28th: Commissioners adopt new water division rules and regulations.

### April

- 18th: WESTON is engaged to perform an engineering analysis of new water supply alternatives. Water wells or water treatment plant?

- 22nd: Superintendent and Controller attend a New England Public Power Association board meeting, the Department's first involvement with the association since becoming a member.
- May
- 1st: Department implements a new electrical rate structure designed by LaCapra Associates.
- June
- 8th: New system grounding bank energized at 34500 volts.
- 13th: Richard Herrington joins the Department as a new lineman.
- 16th: Butson's supermarket becomes first customer on the new high voltage distribution system.
- 20th: Hitchiner Manufacturing Company commits to a program for upgrade of their electrical system to 34500 volts.
- 20th: Paul Bresnahan joins the Department as a new lineman.
- 22nd: Department is inspected by the Environmental Protection Agency for PCB program compliance.
- 24th: Controller Griffin presents a finalized grant application package to William Konrad, FmHA, a request of \$50,000.00 for industrial utility service upgrade.
- July
- 26th: Beginning of HEAT WAVE. Lafayette substation operating at 4400KVA, name plate rated at 3750KVA.
- August
- 26 & 27th: Lafayette substation upgraded to 7500KVA capacity by Department crews.
- 29th: Tracie MacKay joins the Department as a Customer Services clerk.
- September
- 26th: Jean Brown joins the Department as a Customer Services clerk.
- October
- 11th: David Champagne joins the Department as Foreman, New England Power Company's loss, the Department's gain.
- 24th: New Willow Street 8" waterline completed by Clinton Clough Construction Inc.

30th: Hitchiner Manufacturing Company's new electrical system energized at 34500 volts.

November

- 7th: Commissioners approve Resolution to cause the removal of all lead water service pipes in Town.
- 7th: Monthly Safety Meetings established, to be attended by all Department sections on the first Monday of every month.
- 7th: New Water Division Policy proposal completed for Commissioner review and comment.
- 10th: Controller Griffin hosts a New England Power Service seminar at the Eastgate Motel. Seventeen Littleton large power user companies attended.
- 30th: Department placed under Federal Order to license the Apthorp hydroelectric project.

December

- 4th: New Burch lane 8" waterline completed by Roger Strain.
- 14th: New England Electric Wire Company's electrical system energized at 34,500 volts.
- 16th: Commissioners approve a Departmental reorganizational and benefits plan.
- 30th: MBS, Inc. completes the installation of the 1168th meter, the job to be completed in 1989.

The year 1989 may well be even more eventful. We expect that the demand for electricity and water will continue to increase at a rapid rate. Department crews and contractors will be busy constructing new power and water lines. They will also be upgrading existing water and electric facilities, old systems much in need of repair and maintenance. You will see some streets closed for waterline replacements. There will be scheduled outages to permit major maintenance and upgrade of electrical substation fusing, curcuitry, and switch gear.

Your continued support is necessary. Your input is appreciated. These next few years will require the expenditure of a great deal of money to upgrade the old systems while providing for the ever increasing demands of the future.

Respectfully Submitted,

James R. Thyng  
Superintendent

February 8, 1989

Board of Commissioners  
Littleton Water and Light Department  
Lafayette Avenue  
Littleton, NH 03561

Gentlemen:

We have audited the accompanying balance sheet of Littleton Water and Light Department as of December 31, 1988, and the related statements of income, retained earnings, and cash flows for the year then ended. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Littleton Water and Light Department as of December 31, 1988, and the results of its operations and its cash flows for the year then ended in conformity with generally accepted accounting principles.

Very truly yours,

*Robert H. Thomas CPA*

LITTLETON WATER AND LIGHT DEPARTMENT  
NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 1988

- 1) Accounting Policies - The financial statements reflect the application of the following accounting policies:

- (A) Inventories are valued at cost on the first-in, first-out basis.
- (B) The Company provides for depreciation on the straight-line method. The rates used are derived from the following estimated useful lives:

	<u>Years</u>
Artesian Wells	100
Equipment	3-20
Transmission & Distribution Poles, Wires, etc.	28-1/2
Flowage Rights, Dams, and Waterways	100
Accessory Electric Equipment	28-1/2
Sub-station Equipment	28-1/2
Underground Conductors	28-1/2
Line Transformers	28-1/2
Meters	28-1/2 / 33-1/3
Street Lighting Equipment	28-1/2
Water Storage Reservoirs	100
Purification Equipment	10
Transmission and Distribution Mains	100
Settling Basin	100
Hydrants	50
Buildings	50
Gale River - Source of Supply	100
Pump Station - Mt. Eustis	100
Area Lights	28-1/2
Office Equipment	20
Miscellaneous General Equipment	10
Shop Equipment	25
General Tools and Implements	10
Stock Room Equipment	25
Pump Station Equipment	20
Communication Equipment	20
Distribution System Structures	50

Depreciation expense for the year was \$146,037.

LITTLETON WATER AND LIGHT DEPARTMENT  
NOTES TO FINANCIAL STATEMENTS, Continued

- 2) Pension Plan - All eligible employees are covered under the New Hampshire Retirement System. The Department's contribution to the plan was \$9,699 for the year.
- 3) Federal Grant Receivable - The Littleton Water & Light Department has received a Federal Grant, in the amount of \$50,000 for the purpose of upgrading utilities to the industrial part. The funds were received in January 1989.
- 4) Restricted Assets - This account represents cash which is restricted for the following reasons:

	<u>1988</u>	<u>1987</u>
Capital Improvements and Replacements	\$ 219,690	\$ 128,378
Customer Deposits - Refundable	<u>130,794</u>	<u>118,379</u>
	\$ 350,484	\$ 246,757
	=====	=====

- 5) Long-Term Debt - The Long-Term Debt at December 31, 1988 consisted of the following:  
  
 An unsecured note payable to a bank, at an interest rate of Boston prime divided by 1.5%, to be adjusted annually on November 1. The annual adjustment will not exceed one (1%) percent. The interest rate at December 31, 1988 is 6.666%. The note is payable in five annual installments of \$20,000 plus interest beginning on November 1, 1989.
- 6) During the year 1988, major changes were made to the Chart of Accounts of the Littleton Water and Light Department. Due to changes in the allocation of various expenses, a Comparative Statement of Income and Retained Earnings is not being presented.

LITTLETON WATER AND LIGHT DEPARTMENT

## LITTLETON AREA CHAMBER OF COMMERCE

The year 1988 has been one of change and restructuring for the Littleton Area Chamber of Commerce.

- NASRA-sanctioned snowmobile races were held at Forest Lake State Park in January 1988. For a first-time event, the response was excellent.
- The Trout Tournament in June was better than ever with 954 participants resulting in a sizeable profit for the Chamber.
- The 19th Annual Sidewalk Art Show & Sale in September once again brought a large number of talented artists to Littleton. The good weather was a great improvement over that of recent years.
- A new event, the Poker Shoot-out, was held in October. The turnout was good for such a unique event and is expected to be exceptional in 1989.
- The Third Annual Dance & Auction in early November was another evening of fun for all who attended.
- The Christmas Walk was very successful thanks to the generous community support towards decorations for the town.
- The Information Booth and Chamber office responded to over 10,000 visitor inquiries. In order to keep pace with the growing interest in the Littleton area, the Chamber's goal is to provide coverage of the Information Booth on a full time basis between May and October. To cover this expense, we are presenting a warrant article for your approval.
- The Community Profile & Business Directory was updated and revised. This promotional brochure provides a convenient guide to Chamber member businesses and organizations, in addition to featuring information on our area.
- The staffing of the Chamber office was restructured, resulting in two positions of full time Executive Director and part time Director of Development.
- A special "thank you" to the Town of Littleton, the Littleton Water & Light Department and the local media for their continued support of the Chamber. In addition, a special "thank you" is also extended to Littleton VFW Post 816 for their generous contributions to the Chamber in 1988.

The Board of Directors contributed many hours of much appreciated support and, as always, the members and volunteers deserve a hearty round of applause. We look forward to an increasingly active and exciting year ahead.

Respectfully submitted,

Fielding Moore, President

## LITTLETON INDUSTRIAL DEVELOPMENT CORPORATION REPORT

The Littleton Industrial Development Corporation is non-profit organization, established in 1974 through the efforts of the Littleton Chamber of Commerce, the Town Selectmen, and approximately 150 other interested area citizens as an entity to own and develop the Littleton Industrial Park and to accept the responsibility to lead the Town's effort to attract new and desirable industrial employers.

1988 was a very busy and successful year for the Littleton Industrial Development Corporation. The Trapper Brown Building (20,000 square feet) is completed and 75% occupied. Schwan's Sales Enterprises has completed their 6,000 square foot building and is fully engaged in their sales and service work. The Montgomery Company (related to New England Electric Wire-Lisbon) has 80,000 square feet under construction with objectives of completion of Phase I (56,000 square feet) by April 1, 1989 and Phase II (24,000 square feet) by July 1, 1989. Harrison Publishing has completed a significant portion of their site work and is expected to initiate work on their 15,000 square foot building in April, 1989. These new corporate neighbors join Burndy Corporation (120,000 square feet) and Kenmartin Enterprises (15,000 square feet), our two long standing occupants at the Industrial Park.

Hitchiner Manufacturing announced the closing of their Plymouth facility with relocation of equipment and systems to their Littleton facility. Extensive renovations are underway and total Hitchiner employment is expected to exceed 300.

Engineering proceeds on a steady basis for the reconstruction of Route 302 from Bridge Street to the Littleton Amory, the Bridge Street bridge replacement and a proposed access road into the Industrial Park. Informational meetings have been held with the Selectmen and a full public hearing is scheduled for early March, 1989. Construction, hopefully, will begin in 1990.

The expected pressures for residential, commercial and industrial growth are here! We have a solid foundation for quality growth and we must work together to gain full advantage for the benefit of all our citizens and employers.

Respectfully submitted,

Littleton Industrial  
Development Corporation

WHITE MOUNTAIN MENTAL HEALTH AND DEVELOPMENTAL SERVICES  
1988 Director's Report

During this past year, our Agency has attempted to increase our ability to serve the most impaired clients in our communities. We have expanded many of our support services (respite services, apartment supervision) and our vocational programs to those clients. The intent has been to assist mentally ill and developmentally impaired clients to attain a more stable and normal existence in the community. We feel that our efforts have been successful. We have almost doubled our respite and apartment supervision service. Furthermore, we have placed over 34 clients into independent jobs through our Transitional Employment Program.

We were also successful in opening a Developmental Service program in Pike to serve clients in the Woodsville, Warren, Pike and Piermont areas. During our first year of operation, we were able to serve nine (9) clients.

During this next year, we would like to target two new projects: first, to open a small (six clients) home in Littleton for mentally ill clients. We have already secured Federal support for this project for the next five years. Secondly, we would like to expand our respite service by establishing a respite house in our catchment area. The second project is only in the beginning stages and may extend over a two-year period of time to develop.

The following is a brief summary of our work during this past year:

Mental Health Services - We operate one full-time and three part-time offices. The full-time office is located in Littleton at 16 Maple Street. The part-time offices are located in Woodsville at Woodsville Clinic, in Lincoln at the Lin-Wood Medical Center, and in Lancaster at Weeks Memorial Hospital.

Last year, we saw 739 individuals.

- . 129 children age 0-17
- . 523 adults age 18-59
- . 87 elderly age 60+
- . 53% of our service was through individual or conjoint (couples) therapy
- . 27% of service was through group therapy
- . 13% of service was through family therapy
- . 7% of service was through physician service (psychiatrist)

We continue to offer an array of services including: emergency, drug and alcohol, case management, inpatient, and partial hospitalization.

### Developmental Services

. Early Intervention - Home based service for 0-3 year old children who are delayed in their development. Services include: screening, assessment, treatment, and referral. Last year, we served over forty-five families.

. Day Habilitation Program - Provides instruction to our most severely impaired adult population. The program works in conjunction with their residential programming as well as providing training and instruction in self care skills, pre-vocational skills, paid work, and other therapeutic services such as speech therapy and physical therapy. This program has been primarily used by former Laconia State School residents; however, we have had community clients who have been referred by the local school systems. Last year, we served ten (10) clients.

. Supported Employment - Provides training, instruction, and work adjustment for vocational and job needs. Paid work opportunities for the individuals can take place either in the community or in the Workshop itself. The programs have been successful in meeting their objectives and are popular with the individuals who have participated. Last year, we served twenty-four (24) clients. Two clients were successfully placed. Seventeen (17) are currently employed, and five (5) have withdrawn from the program.

We are grateful for your past support of our programs and look forward to continuing to serve you in the future.

Respectfully submitted,

A handwritten signature in dark ink, appearing to read "Dennis MacKay", with a stylized flourish at the end.

Dennis C. MacKay  
Area Director

NORTH COUNTRY COUNCIL, INC.  
ANNUAL REPORT

North Country Council observed its sixteenth year of successful operation in 1988. The Council, chartered under NH RSA 36:45, provides non-profit local and regional planning assistance to member municipalities. The Board of Directors determined that last year's work program would focus on community planning, economic development, solid waste, transportation and housing. The Council maintains four standing committees which monitor local issues and determine Council policy. Overall, the Council's major objective is to work with North Country towns in solving local and regional problems.

In Littleton, the Council in conjunction with the Northern Community Investment Corporation received \$350,000 in Community Development Block Grant funds to help underwrite the public facilities cost for Whitcomb Woods, an affordable housing subdivision which will make single family residences available to low- and moderate-income owners. Forty units will be constructed when this project is completed. Also, the Council provided regular planning assistance to the Town Planner, participated on the Littleton parking Committee and assisted the Littleton Industrial Development Corporation secure grant funds for upgrading the electricity substation serving the Industrial Park. Staff assistance was provided to the Upper Grafton-Lancaster Area Solid Waste District.

Community planning assistance continues to dominate our staff resources. New state mandates and rapid residential and commercial growth throughout the region placed an increasing burden on local planning and zoning boards in 1988. Regional workshops, technical bulletins and newsletters, ordinance review and update, as well as review of specific subdivision and site plan applications are a sampling of the myriad services performed this year for our membership. The Council also co-sponsored the popular Municipal Law Lecture Series which reviewed new case law and other specific areas of legal interest to local officials.

In addition, grant writing and grant administration continue as important components of the Council's work program. Currently, NCC staff members are working in twelve towns administering fifteen Community Development Block Grant programs. These projects include feasibility studies for local infrastructure needs, water and sewer construction projects and targeted housing rehabilitation programs for income eligible residents.

In summary, it is important to understand that the North Country Council is organized and administered for the benefit of its constituents, local town governments. Our future success is, in large part, contingent upon your participation in Council activities. We rely on and appreciate involvement of town officials and residents and look forward to assisting your town this coming year.

NORTH COUNTRY HOME HEALTH AGENCY, INC.

1988 REPORT OF SERVICES

The North Country Home Health Agency, Inc. is a not-for-profit community service agency serving 21 area communities. We are celebrating our 18th year of providing care in the North Country. The Agency's services include intermittent Skilled Nursing Care, Clinics, Physical, Speech and Occupational Therapy, Homemaker/Home Health Aide and Parent-Aide assistance. Town funding is used to help provide these services to individuals and families who do not have insurance or who are only able to afford to pay a portion of the cost of care. All who receive care are asked to contribute towards the cost of that care, if they are able.

In 1988 the Agency expanded programs to include Respite Care for clients with Alzheimer's Disease and Related Disorders and Adult-In-Home Day Care. Both programs are funded by State/Federal money and client fees.

The North Country Home Health Agency, Inc. is proud to continue the tradition of providing quality home care started by the Littleton Community Nurse Association 65 years ago. We value the support of the community and commend each of you for your concern for those in need of Home Care.

The North Country Home Health Agency provided a total of 10,175 visits and 28,658 hours of Adult-In-Home Care in 1988. The following service totals were provided in Littleton during 1988:

	Number of Visits
Home Health Aide	1085
Homemaker	525
Skilled Nursing	1110
Occupational Therapy	18
Physical Therapy	182
Speech Therapy	25
Parent-Aide (Child Abuse Prevention)	340
Adult-In-Home Care (hours)	2350

## 1988 REPORT FOR THE COMMUNITY HOUSE

The Community House has again set a record with over 60 organizations using the facilities, many on a weekly basis. It was not unusual to have at least 10 groups scheduled on any given day and are often booked six days a week.

This year both buildings received a new coat of paint and carpets were replaced on two porches.

Our thanks to Clinton Clough for straightening the post at the Main Street corner of the lot.

Officers and Directors for 1988 were:

President:	Everett Poore
V. President:	Raymond Hopkins
Secretary:	Frances Heald
Treasurer:	Barbara Hill

Gilbert Pike  
Winston Merrill  
Nancy Marro  
Carroll Campbell  
Margaret Buffington

Bruce Hadlock  
Frances Lytle  
Robert Bowker  
Naomi Tefft  
Amy Stillings

Wilfred Bergeron, Host

Virginia Bergeron, Hostess

## LITTLETON HOSPITAL ASSOCIATION

1988 was a year of changes for Littleton Hospital. The hospital's Board of Trustees hired a new administrator, chief financial officer, and director of nursing.

Three new physicians have joined the medical community: Dr. Emil Pollak, a cardiologist, Dr. Lon Howard, an orthopedic surgeon and Dr. John Spicer, a family practitioner with offices in Lisbon and Littleton.

Along with the rest of the nation, Littleton faced the reality of shortages in nursing personnel. In addressing this problem, higher wages, flexible hours and creative staffing patterns were implemented. Retaining and recruiting qualified nurses is an important priority.

The Chemical Dependency Unit has served 43 inpatients and 47 outpatient consults over the past year, offering detoxification, counseling and support for individuals with alcohol and/or drug addiction.

A major renovation to the hospital is planned for the coming year in order to accommodate the increased use of our emergency room and outpatient services. Dr. Campbell McLaren was named the new Medical Director of the Emergency Department in 1988. Two of his major interests are effective handling of the trauma patient and pre-hospital intervention education such as EMT training, basic life support rescue and CPR.

The Radiology Department has increased the number of CT scan procedures by 28%, now that an in-house CT scanner is available 24 hours/every day. This has greatly improved the level of care we can provide to outpatients and emergencies who no longer have to be sent to Hanover for their CT scans. Inpatients also do not have to wait for the day when the mobile unit would come to town. Littleton Hospital has been able to help other area hospitals meet the CT scanning needs for their own patients. A new mammography unit was also purchased which offers reduced radiation exposure and increased diagnostic capabilities to detect breast cancer.

The Tumor Clinic offers a wide range of chemotherapy treatments to area cancer patients. Support and education is also offered to the patient and their families through the "I Can Cope" Program held at Littleton Hospital each year.

The Physical Therapy Department is seeing a significant increase in rehabilitation patients and participants in the hospital's Cardiac Rehabilitation and Pain Management Programs. Their newest program, Back Care, is available to area businesses for helping employees to prevent back injuries on the job.

The Same Day Surgery Unit has handled 955 cases this past year. The unit provides patients with convenient and affordable care, by saving them the time and money of an overnight stay at the hospital.

In keeping with the goal of meeting the health care needs of the North Country's residents and the challenges of the changing health care environment, the hospital's Board of Trustees voted in December

to renew their affiliation with Hospital Corporation of America (HCA) for another three years.

The members of Littleton Hospital's Board of Trustees, medical staff, employees, volunteers, auxiliary and area residents should be proud of the high caliber of medical care which they have available at this facility. We are all committed to the goal of striving to see this progress continue. Thank you for your support and confidence.

Rosemary C. Check  
Administrator

## LITTLETON AREA HISTORICAL SOCIETY

"It is very hard to write a history of the world," wrote one historian, "but it is well worth doing". It is much less difficult to continue the history of the Littleton area, and, of course, very much well worth the doing.

We make no attempt to include every event of note during the year 1988 or every person involved. We focus on some of the ways by which Littletonians and other North Countrymen handle our environment, and manage to cope with our needs and urgencies so that we may live fairly comfortably.

First Vice President Marguerite Clark, with her usual efficiency, organized a series of programs devoted to the Littleton area and the people who populate it.

With newly-elected President Mort Fisch presiding, the Society and others heard Littleton Town Manager Tom Landry talk on "Local Government in New Hampshire"; Superintendent of Littleton Water and Light Department James Thyng on "History of the Littleton Water System"; Roger Peabody on the "50th Anniversary of the Cannon Mountain Tramway"; Assistant Curator Frances Heald on the "History of Remick Park"; local businessman Paul McGoldrick on the "Industrial Development in Littleton, 1972-1988"; and the Society Historian Wilbur Willey on "A Life that Mattered--My Mother".

The "Founders Day" program was held on July 13, a lovely warm day with Society members and guests enjoying the delightful talk by Fran Heald, their picnic foods, and drinks provided by the social committee at Remick Park.

For the October 12 meeting, Marguerite Clark continued the fine tradition she founded by organizing a tour to "Old Sturbridge Village", Sturbridge, Mass. All who attended were delighted with the transportation, museum, and dinner.

On November 9, Wilbur Willey read parts of his new book, A Life That Mattered--My Mother, to members and guests, a session that will long be remembered. Those at the well attended meeting roared with laughter as Wilbur recounted some of his mother's eccentricities, grew silent as he related her trials, nodded sympathetically as he told of her triumphs. She was truly a pioneer woman.

A high point in the devotion of Society members took place in March. Fran Heald alerted us to a sewer backing up in the Littleton Public Library the afternoon and evening of March 8. A group including Ruth and Lonny Colby, Ruth and Dan Nute, Shirley and Horace Burrington, Win Merrill, Adele and Mort Fisch, supervised by Fran, moved all the fragile and easily destructible exhibits from the Museum (Fran even taking some to the safety of her home, and prepared the room for the work of the plumbers. Ever the optimist, Fran saw the entire operation as a chance to clean and dust, and wash and iron the curtains, which Ruth Nute did to perfection.

Second Vice-President and Membership Chairman Eleanor Gardner and

President Mort Fisch accepted the donation of the earliest ledgers used by the Littleton Savings Bank in 1868. The bank's Vice-President Gary Gardner graciously made the presentation.

It was a year, too, which saw enormous work performed by Curator Linda McShane, despite family pressures, to make a viable presentation of Museum materials. In this she was aided by Frances Heald, Betsy Lanchester, and others.

Treasurer Ruth Nute managed our books and accounts so well that we ended the year with a balance.

Recording Secretary Peg Colby faithfully transcribed the minutes of each meeting and kept us informed of past developments and possible future ones.

Corresponding Secretary Beatrice Doane was kept busy writing to legislatures with a hope for new quarters for the Museum, to donors of contributions, and to town institutions. Bea also accepted pictures of an earlier Littleton era from MacDonalds where they had been wall decorations.

Auditor Lawrence M. Colby checked all financial records.

Directors Winston Merrill, Lester Goad, and Horace Burrington used their good offices to help maintain the high standards of the Society.

Two members of the Society achieved distinction: Dr. Richard Hill (Ret.) was elected to the General Court, and George McAvoy published his book on the hotels of the White Mountains "And Then There Was One".

The Society welcomes all interest persons to attend the meetings. Membership in the Society remains at Individual \$3; Family, \$5; Contributing, \$10; and Sustaining, \$25.

We wish to thank the library staff for their cooperation and the use of their facilities throughout the year, and also our thanks to the Community House staff for their hospitality.

Year 1989 may well see the Society in a new home, worthy of it. Littleton leaders feel we will be able to serve the town more capably in the former quarters of the Fire Department. In that larger area we will be able to display more of the artifacts and implements of Littleton's past.

Whatever the future will bring, we look forward to a remodeled, enhanced, improved Littleton Area Historical Society.

Mort Fisch  
President
